

Caring for Children as a Career

Turn your love for children into a rewarding way to make a living as a licensed child care provider!

- Get the **SATISFACTION** of knowing you are doing something good for your community!
- Have the opportunity to **SUPPORT** your family!
- Do the work that you **LOVE!**
- Enjoy the convenience of working from **HOME!**

The need for child care providers is great, the requirements are reasonable, and the rewards are outstanding. Now is the time to begin your career caring for children!

Not sure where to start? Contact Child Care Aware® of Eastern Kansas to connect with a staff member who can answer your questions. They can also help you enroll in classes and access our lending library stocked full of helpful resources. We also have a referral network to connect you with families searching for child care in your community. All coaching services are free, so call us at 785-357-5171 in Topeka or 877-678-2548 toll free to learn how you can turn your love for children into a living!
